

Peg Pen Holders

You will need:

Pegs
A plastic lid
Glue gun or glue stick

Optional extras:
String or wool
Felt tips
Embellishments

Method:

- Separate each peg into two pieces and pull out the spring.
- Plug in glue gun
- Choose which way to stick your peg to the lid, but thicker end to the base.
- Continue until you have worked your way round the lid.
- If you have a small gap, a leader can measure and cut it to size.
- Turn glue gun off
- Start decorating using anything available on table.
